THE HOME STORE.

We have just about gotten our stock in respectable shape again after the day-before-Easter rush. We can call it nothing else, for our customers kept us on the rush from early morn until late night, and "why not?" We are giving our people Spring Suits of the choicest fabrics, in the very newest patterns, in all the modish colors, also the ever-popular pure indigo-dyed Blue Serges, for

\$12, \$15 and \$20

That can't be matched in the State. If you doubt, look about other stores. Our Men's and Boys' Shoe business is simply marvelous, considering the short time since we opened our Shoe Department. The feature of our guarantee with each pair to give satisfactory wear was unheard of in Maysville until we introduced it. We are perfectly safe in our guarantee. We sell the "kind" that not only look "right," but will also wear "right." Be sure to call for tickets on our beautiful little miniature Horse. All that see him pronounce him a little darling.

ANOTHER WONDER OF SCIENCE.

Biology has Proved that Dandruff is Caused by a Germ.

Science is doing wonders these days in medicine as well as in mechanics. Since Adam lived, the human race has been troubled with dandruff, for which no hair preparation has heretofore proved a successful cure until Newbro's Herpicide was put on the market. It is a scientific preparation that kills the germ that makes dandruff or scurf by digging into the scalp to get at the root of the hair, where it saps the vitality, causing itching scalp, falling hair, and finally baldness. Without dandruff hair must grow luxuriantly. It is the only destroyer of dandruff. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

NIGHT RIDER SUIT

Seven Jurymen Members of the Society of Equity

The first of the Kentucky night rider suits went on trial in the Federal Court at Covington Tuesday in the case of W. S. Henderson against twenty-five prominent farmers of Bracken county. He is suing for \$25,000 damages for being forced out of the tobacco warehouse business.

Seven Jurors said they were members of the Society of Equity, declared they could give a fair verdict, and Judge Cochran refused to rule them out. Louis Kinney, brother of one of the attorneys for the defense, was a witness for the prosecution, identifying all of the defendants save one as being in the crowd that intimidated Henderson.

Attorneys for the defense contended that placing a hand on the arm was not assault. The Court ruled: "No man has a right to put a hand on another without permission. It is a sacred right of personal liberty. Every merchant approached by that crowd was assaulted, and everyone touched by a member of the crowd was beaten."

SAVED FROM AN OPERATION

By Lydia E. Pinkham's Vegetable Compound

Louisville, Ky.—"Lydia E. Pinkham's Vegetable Compound has certainly done me a world of good and I cannot praise it enough. I suffered from irregularities, dizziness, nervousness, and a severe female trouble. Lydia E. Pinkham's Vegetable Compound has restored me to perfect health and kept me from the operating table. I will never be without this medicine in the house."—Mrs. SAM'L LEE, 3523 Fourth St., Louisville, Ky.

Another Operation Avoided. Adrian, Ga.—"I suffered untold misery from female troubles, and my doctor said an operation was my only chance, and I dreaded it almost as much as death. Lydia E. Pinkham's Vegetable Compound completely cured me without an operation."—LENA V. HENRY, R. F. D. 3.

Thirty years of unparalleled success confirms the power of Lydia E. Pinkham's Vegetable Compound to cure female diseases. The great volume of unsolicited testimony constantly pouring in proves conclusively that Lydia E. Pinkham's Vegetable Compound is a remarkable remedy for those distressing feminine ills from which so many women suffer.

Mr. W. G. McClintock of Bourbon county is here buying horses and mules. He is the Democratic candidate for Assessor in Bourbon, having defeated his opponent in the primary last fall by the handsome majority of 900.

Her relatives can give no reason for her going." Mrs. Helm was formerly Miss Mary Stewart of this city, where her mother and other relatives reside. Her husband was in telephonic communication with this city yesterday, making inquiries as to her whereabouts. He was informed that the missing woman was not in Maysville.

NOT SO BAD

The American Tobacco Company the Largest Taxpayer in the City of Maysville

The American Tobacco Company has been a benefit to Maysville and Mason county in more ways than one.

In the first place, it affords a home market for the product, it reduces the cost of delivering the weed owing to the proximity of its warehouses—being located right in the tobacco belt.

During the working season its weekly payroll is larger than that of any other concern in the city, and last, but not least, it is the largest taxpayer on the city's tax list.

This year it will pay on stock alone an assessed valuation of \$307,640, which will net the city in taxes nearly \$4,000.

Isn't that doing pretty well?

The Second Presbyterian Church at Paris last Sunday pledged \$1,269.80 for foreign missionary purposes.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

THREE SUSPECTS

Under Espionage For the Bomb Outrage at Burtonville

Three men are under surveillance suspected of having committed the dastardly outrage of placing the bomb which demolished Cropper's store and the Government Postoffice in Burtonville Tuesday night. Gallenstein's bloodhounds trailed a man on horseback and another on foot, the trail leading direct from the wrecked building to their respective homes. The authorities are waiting to see what move the Government will take in the matter before proceeding further.

Feeling is running high in the neighborhood and further trouble is looked for. Whoever the guilty parties may be, if convicted of the crime, should be severely dealt with. Black Handism should not be tolerated in this country for an instant.

BEAU BRUMMEL

The Noblest Roman of Them All—
Point-Au-View Stock Farm

The following letter speaks for itself:
AUGUSTA, KY., April 14th, 1909.
Mr. Langhorne Anderson, Maysville, Ky.—
My Dear Sir and Friend: I find since returning home from Brooksville on last Monday that I will be enabled in a very short time to patronize your superb stallion, "Beau Brummel," the best ideal of all Beau Brummel's of the equine race and age. What a ravishing pleasure it must have been to you, sir, at the supreme hour and in the many years yet to come, that I trust may be vouchsafed to both yourself and your matchless stallion, "Beau Brummel," when you look back with just pride to the raw, windy day at Brooksville when beautiful, graceful "Beau Brummel" capped the climax and proved himself to be the "grandest and noblest Roman of them all." Will the good people of Mason, Bracken and Robertson counties let this golden opportunity slip by to get into the lime-light by patronizing while they may the grandest, noblest and most superb stallion that will be offered for service in the Bluegrass State for the year 1909? With the most kindly wishes for your own success and that of your noble "Beau Brummel," I beg to remain your friend,
T. J. MONEYHON, M. D.

QUALITY GROCERS.

The school in Oklahoma, taught by Miss Geneva Pierce, will close tomorrow.

A HELPING HAND.

Is Gladly Extended By a Maysville Citizen.

There are many enthusiastic citizens in Maysville prepared to tell their experience for the public good. Testimony from such a source is the best of evidence, and will prove a "helping hand" to scores of readers. Read the following statement:

Mrs. John E. Burns of Maysville, Ky., says: "I value Doan's Kidney Pills just as highly today as when I gave a statement in their favor some years ago. I was subject to frequent attacks of kidney trouble and at times the pain in my back was so acute that I was confined to my bed for days. The quick and decided relief I obtained from Doan's Kidney Pills, procured at J. J. Wood & Son's Drugstore, was very gratifying, and during the years which have since elapsed, I have had no serious return of kidney trouble. On some occasions, I have felt a slight backache, but a few doses of this valuable remedy have never failed to ward off any serious attack."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

A K. of P. Lodge will be instituted at Ewing next Tuesday.

RELIABLE Paints

It stands to reason that a reliable machine mixed paint can be better than paint mixed by hand. The makers of a good mixed paint understand the chemistry of paint and have proper machinery for grinding and thoroughly mixing pigments, etc. Our

MASTIC MIXED PAINT

is made by a reliable concern and can be depended upon to cover more surface, wear longer and hold color better than the most carefully hand mixed paint. Get our color card and let us tell you how Mastic Mixed Paint can save you dollars.

BRISBOIS & DIENER.

There is on exhibition in the show-window at George H. Frank & Co.'s clothing store an heirloom belonging to the family of Harvey Keith of Mason county, that is said to be over 134 years old. It is a brass-mounted, flint-lock boss pistol, seventeen inches long and has a bore as large as a young cannon. It is a relic of the days that tried the souls of men during the War of the Revolution.
